

## COPYRIGHT TRANSFER AGREEMENT

<b>Title of article</b>	
<b>Name and address of corresponding author</b>	
<b>Names of all other authors</b>	
<p><i>I, as <b>principal author</b>, declare the following with regard to the above-named article:</i></p> <ol style="list-style-type: none"><li>1. The article is an original work and its publication will not infringe the copyright of any other individual property right – including the right in a trade secret – of any entity or individual.</li><li>2. All authors named above have agreed to the present submission.</li><li>3. I am authorised to sign this document either in my own right or as an agent for my employer.</li></ol> <p><i>I also understand and agree on behalf of all the authors named above to the following terms and conditions of transfer:</i></p> <ol style="list-style-type: none"><li>1. The author(s) transfer to the New Zealand Institute of Chemistry (NZIC) the entire copyright in the text of the article.</li><li>2. NZIC grants the author(s) a non-exclusive licence to reproduce the text of the article for their own internal purposes, research and public presentation.</li><li>3. The author(s) retain copyright in all artwork and research data, and may reproduce such in future articles.</li><li>4. The author(s) grant NZIC a non-exclusive licence to reproduce in whole or in part the artwork and research data (with acknowledgement) and to permit third parties to reproduce in whole or in part such materials contained in the article.</li><li>5. When exercising any of the right granted in this agreement, each party must appropriately acknowledge the contribution made by the other party to the published article.</li><li>6. NZIC may reproduce the article in all forms and media including online and electronic formats.</li><li>7. Copyright in the article reverts to the author(s) if publication is not within one year of the date of this agreement.</li></ol>
